Peach Aviation Limited (Peach; Representative Director & CEO: Shinichi Inoue, Head office: Izumisano-shi, Osaka), announced today that it had started services on its Osaka (Kansai) - Kaohsiung route.

The Osaka (Kansai) - Kaohsiung route will be Peach's third Taiwan route following routes between Osaka (Kansai) and Taipei (Taoyuan) and Okinawa (Naha) and Taipei (Taoyuan). The opening of the Osaka (Kansai) - Kaohsiung route will become the 6th international route for Peach.

Peach's Taiwan routes have been extremely popular since the start of their services, and a particular characteristic is that they are used by not only its Japanese customers but also many customers in Taiwan. With the newly opened route between Osaka (Kansai) and Kaohsiung, Peach will become the only Japanese airline that connects Kansai and Kaohsiung, and it will meet the vigorous demand for air transportation between Japan and Taiwan.

Peach Representative Director & CEO Shinichi Inoue provided the following comment on the opening of the route today, "I am truly pleased that Peach has been able to start services on its route to Kaohsiung as its third Taiwan route. Exchange between Japan and Taiwan has been becoming active in recent years, and I hope that Peach's new route will help to further invigorate this exchange."
