### 3) Topics

On both domestic and international routes, many customers flew Peach during the Golden Week period. The total number of seats offered throughout the period was steady with the number of reservations at an overall 124% compared to 121% a year earlier.

By breakdown of route, particularly good performance was seen for domestic routes between Osaka (Kansai) – Sendai and Matsuyama, and international routes between Osaka (Kansai) – Hong Kong and Tokyo (Haneda) – Seoul (Incheon) where seats were mostly sold out during the period.

Peak days for domestic routes were May 3 for flights flying out of Kansai and May 5 for flights flying into Kansai while peaks were observed for outgoing flights on May 1 and incoming on May 5 on international routes.
