Peach Begins Line Oriented Flight Training On New Aircraft

OSAKA November 15, 2011 – Peach Aviation announced today that Peach has begun line oriented flight training on their first new aircraft, the Airbus A320-200.

The flight training will be based in Osaka International Airport and they are scheduled to go to 3 airports: Fukuoka airport, Naha Airport and Shin-Chitose airport. For further information regarding flight training, please refer to the relevant attached documents.

*The schedule is subject to change due to weather effects etc.

For up-to-date information regarding the training and the training schedule, please refer to Peach's official facebook page at <http://www.facebook.com/peach.aviation>.

Peach Aviation, Japan's first dedicated low cost carrier, is preparing for its first flight in March 2012. Peach will provide new travel options at affordable prices, and will act as a bridge between Japan and the growing economies of other Asian countries.

Peach Aviation Limited www.flypeach.com

Peach Aviation became Japan's first official LCC (low cost carrier) in February 2011. It will be commencing flights from its home base, Kansai International Airport, no later than March 2012.

Peach Aviation creates new airline networks across Asian countries. It is dedicated to providing safe, reliable, and affordable flights that will create new value and options in air travel. Peach will become a bridge between the growing economies of Asia and Japan.
