Tickets for 2026 Winter Schedule Now on Sale for Select Routes!
-International cumulative passenger count exceeds 20 million!
Travel more freely this winter by booking early-

Osaka, May 27, 2026 - Peach Aviation Limited ("Peach"; Representative Director and CEO: Kazunari Ohashi) has announced that it will start sales of tickets for select routes for the 2026 winter schedule (October 25, 2026 to March 27, 2027) beginning at 4:00 pm today.

This sale applies to eight international routes: Osaka (Kansai) – Seoul (Incheon/Gimpo), Taipei (Taoyuan), Hong Kong, Tokyo (Narita/Haneda) – Taipei (Taoyuan), Nagoya (Chubu) – Seoul (Gimpo), and Okinawa (Naha) – Taipei (Taoyuan).

Tickets can be purchased via the Peach Website (www.flypeach.com/en) and at the Contact Center. Tickets for routes other than those listed above will go on sale as soon as they are ready.

In this sale, we have a lineup of attractive destinations you will want to visit from autumn and winter through next spring, such as Seoul, where you can enjoy romantic light displays unique to winter and exquisite hot pot cuisine; Taipei, where you can refresh your mind and body at lively night markets and hot springs; and Hong Kong, which is entering its cool and comfortable best season, allowing you to enjoy sparkling night views and authentic gourmet cuisine. You can also plan your travel for the high-demand autumn and winter season with peace of mind by booking early.

Additionally, Peach's number of cumulative international flight passengers has surpassed 20 million. Currently, passenger numbers are trending at record highs, and our services are being utilized by many customers as a convenient means of travel connecting Japan with various regions across Asia.

Moving forward, Peach will continue to prioritize safe operations above all else, connecting fascinating cities across Japan and Asia, and helping to enrich people's lives as a mode of public transportation that allows everyone to effortlessly encounter new sights and experiences. We will also continue to take on challenges and evolve while working to further improve our basic quality so that we can continue to be an airline that customers can use with peace of mind.
