

## Restarting International Flights after Seven Months Suspension

- Reconnecting Japan and Taiwan as the Bridge to Asia -

- **Restarting with Osaka (Kansai) - Taipei (Taoyuan) route**
- **Also resuming the Tokyo (Haneda/Narita) - Taipei (Taoyuan) route on Oct. 26**
- **Resumption of international flight operations after seven-months suspension of all international routes since March 2020**
- **Providing airport pickups services for customers arriving in Taipei**

**Osaka, Oct. 25, 2020** - Peach Aviation Limited (“Peach,” Representative Director and CEO: Takeaki Mori) restarted Osaka (Kansai) - Taipei (Taoyuan) route on Oct. 25. In addition, the Tokyo (Haneda) -Taipei (Taoyuan) route and the Tokyo (Narita) -Taipei (Taoyuan) route will resume in that order on Oct. 26. Peach restarts operation of international flights after seven months suspension of all international flights since March 20.

\*Flight from Osaka (Kansai) to Taipei (Taoyuan) departing Kansai Airport for Taipei

With the resumption of international flights, Peach will start providing airport pick up services\* to customers arriving at Taipei Taoyuan Airport on Peach flights. Due to restrictions on using public transportation after arriving at the airport, Peach cooperates with a transport company providing service to Taipei city in order to support our passengers. In addition, we will start transportation services\* sequentially at Kansai Airport, Haneda Airport and Narita Airport for passengers arriving in Japan. Pickup services can be reserved from Peach's website. We have also prepared the following page summarizing restrictions and precautions to take traveling to and from Taiwan.

Note: Passengers Traveling to/from Taiwan

Peach moves its boarding terminal at Narita Airport from Terminal 3 to Terminal 1 on Oct.25. Boarding procedures are made at check-in counter on the first floor of the South Wing for domestic flights and the B counter on the fourth floor of the North Wing for international flights. When flying Peach for international flights at Kansai Airport, boarding procedures are made at the Terminal 2, and passengers are arrived at Terminal 1.

As a public transportation provider, Peach responds to the conventional transportation needs of people such as business travelers or students studying abroad. Peach thoroughly implements infection countermeasures on board its aircraft and at airports, providing safe and secure air travel for those who need to travel between Japan and Taiwan. Peach will continue to contribute to exchanges between Japan and Taiwan and economic revitalization under the theme of "Bridging your Sky"

\*Airport pick-ups service are provided by partner company for profit. For detail, please visit Peach's website.

#### **About Peach ([www.flypeach.com/en](http://www.flypeach.com/en))**

Peach began operating out of Kansai Airport in March 2012. Peach currently services 26 domestic and 17 international routes with 32 aircraft from its hubs: New-Chitose Airport, Sendai Airport, Narita Airport, Fukuoka Airport and Naha Airport in addition to Kansai Airport. From Dec. 24, Peach will start operating new routes from Chubu Airport, Sapporo (New-Chitose)/Sendai - Nagoya (Chubu) and make Chubu Airport its new hub. From Oct.25, Peach will restart international flights connecting Osaka (Kansai)/Tokyo (Narita)/Tokyo (Haneda) - Taipei (Taoyuan). Aiming to become the leading LCC in Asia, we are expanding our route network from various regions, mainly in the Tokyo metropolitan area and Kansai. Also, we moved our boarding terminal at Narita Airport from Terminal 3 to Terminal 1. Boarding procedures are made at check-in counter on the first floor of the South Wing for domestic flights and the B counter on the fourth floor of the North Wing for international flights. When flying Peach for international flights at Kansai Airport, boarding procedures are made at the Terminal 2, and passengers are arrived at Terminal 1.
