Osaka, January 24, 2023, - Peach Aviation Limited (hereafter referred to as Peach, Representative Director and CEO: Takeaki Mori) will start additional sales of air tickets for the 2023 summer schedule. The applicable period is from March 26 to October 28, 2023.

The routes and fares for the 2023 summer schedule period, which will be on sale starting today, are shown in the table below. Tickets for other routes will go on sale as soon as they are ready. Tickets can be purchased via the Peach Website (<https://www.flypeach.com/en>) and at the Contact Center.

All domestic routes are available for purchase, including routes already announced for sale. In addition, Peach is also working on the resumption of international flights, with the Osaka (Kansai) - Bangkok (Suvarnabhumi) route to be operated daily from the summer schedule, and the Okinawa (Naha) - Taipei (Taoyuan) route to be increased to two round trips per day. With the return of international travel, we aim to attract inbound passengers not only to arrival destinations, but also to other parts of Japan that still have undiscovered attractions, utilizing Peach's domestic route network.

In addition, starting January 25, we will hold a "Domestic and International flights Early Summer Sale" to offer early bird savings on tickets for the Summer Schedule. For domestic flights, one-way fares start at as low as 1,000 JPY for all routes, and for international flights, Value Peach fares with no flight change fee*1 are available at a 20% discount. We have prepared a plan for those who do not yet know their future plans and are worried about traveling abroad. We hope you will use Peach to plan your trip for the spring and summer season, a time when you feel like exploring more.

Peach will continue to provide easy travel with stable low fares, placing the highest priority on service safety. We will also utilize our network, the largest of any LCC in Japan, to once again become a "Bridge between Asia", bringing closer the skies of Japan and the rest of Asia.
