About Peach (www.flypeach.com)

Peach began operating out of Kansai Airport in March 2012. It currently services 21 domestic and 18 international routes with 32 aircraft from its bases: New Chitose Airport, Sendai Airport, Narita Airport, Fukuoka Airport and Naha Airport in addition to Kansai Airport. It operates approximately 140 flights per day, and over 20,000 passengers fly the airline every day. Peach integrated with Vanilla Air, based in Narita Airport, on November 1, 2019 and aim to become Asia’s leading LCC.
