The newly launched Tokyo (Narita) - Seoul (Incheon) service will depart Narita around 9:00 am and arrive in Seoul by noon, allowing you to enjoy local attractions to the fullest immediately upon arrival. You can have a relaxed stay on your return trip, taking time to enjoy breakfast, and arrive in Japan in the evening. Furthermore, by freely combining this route with the Haneda Airport routes that only Peach can offer, you can create a flexible itinerary tailored to your schedule to maximize your stay or enjoy a whirlwind trip.

Autumn in Seoul is a particularly comfortable time of year, with culture, art, and music events packed across the city, making it a season when increased tourism demand is expected. Whether traveling solo, with friends, or with family, etc., we hope you will enjoy a casual trip to Seoul with Peach.

Additionally, on the Tokyo (Narita) – Seoul (Incheon) route, to make your air travel more comfortable, we are launching pre-orders of in-flight meals, which is a first for Peach’s Korea routes. Our menu features items such as Rich Meat Sauce Spaghetti, Japanese Curry Rice with Chunky Chicken, Thai-Style Basil Chicken with Rice, and Chibo Pork Okonomiyaki (Pork). By booking in advance, you can avoid the worry of them selling out, and we will serve them to you with priority onboard.

This is Peach’s new international route from Narita Airport in 7 years, since 2019. We currently operate 6 domestic routes and 1 international route from Narita Airport. With the inauguration of this service, we will further revitalize our route network from

Narita Airport.

Going forward, Peach will continue to prioritize safe operation, aim to further promote exchange, and provide a variety of travel options to meet diverse needs.
