Peach Aviation Limited

Conducting a Vaccination and Infection Countermeasures Support Campaign Pursuing the realization of safe travel that does not spread infection

- Sales of Peach Points with a 10% bonus for vaccinated customers
- Also 20% discounts on some in-flight products
- Contributing to the revitalization of local economies by balancing safe travel and infection countermeasures

Osaka, October. 20, 2021 - Peach Aviation Limited (hereafter: Peach, Representative Director and CEO: Takeaki Mori) will start a Vaccination and Infection Countermeasures Support Campaign to further support COVID-19 vaccination and infection countermeasures on today. (October. 20)

In addition to sales of Peach Points with a 10% bonus that can be used for purchases including Peach flight tickets, the Campaign offers 20% discounts on some in-flight products to those who are fully vaccinated or have a COVID-19 negative certificate.

Peach balances safe flights and infection control to provide our customers with a safe means of transportation. By conducting this campaign to further popularize vaccination and PCR testing, we will continue to pursue the realization of safe travel that does not spread infection.

Peach will continue to take thorough countermeasures to stop the spread and build new travel styles with customers while contributing to the revitalization of local economies as a public transportation system connecting various regions of Japan.

Please check the following page for details on the Campaign.
