

最晚可於航班班表表定出發時間前1小時完成取消手續。

因旅客個人因素取消之機票的退款內容，將依據購買時選擇的票價類型而異。

請事先確認該票價類型之規定，再繼續進行取消手續。

The screenshot shows the Peach website interface. At the top, there's a navigation bar with icons for flight booking, passengers, baggage, airport services, hotels, and order management. Below this, a summary box displays the order number (WT2C4B), total amount (¥20,930), and a QR code for check-in. There are links to view the itinerary, check fees, download the PDF itinerary, and view receipts. The main section is titled '預訂航班' (Book Flight) and shows two flight segments. The first segment is from Osaka (KIX) to Sapporo (CTS) on 2024/11/08. The second segment is from Sapporo (CTS) to Osaka (KIX) on 2024/11/14. At the bottom of the flight details, there are two buttons: '取消' (Cancel) and '更改航班' (Change Flight). A red box labeled '1' highlights the '取消' button.

① 點擊「取消」

The screenshot shows the '取消航班' (Cancel Flight) page. It prompts the user to select the flight to cancel. There are two flight segments listed. The first segment is from Osaka (KIX) to Sapporo (CTS) on 2024/11/08. The second segment is from Sapporo (CTS) to Osaka (KIX) on 2024/11/14. A red box labeled '2' highlights the checkbox for the first flight segment. Below the flight segments, there is a '請注意' (Please Note) section with important information about the cancellation process. At the bottom, there is a large blue button labeled '下一步' (Next Step) and a link labeled '取消更改' (Cancel Change). A red box labeled '3' highlights the '下一步' button.
