### 3) Overview of Reservations

Reservations are steady overall for domestic and international routes combined at a rate of 112.3 percent against a 111.1-percent seat availability rate compared to a year earlier.

Domestic reservations are particularly favorable in the Hokkaido and Kyushu area while many bookings have already been received for overseas routes to China Mainland and Taiwan. December 28 will be the peak day for outbound domestic routes while December 29 will be the peak day for inbound routes. For international routes, the peak days are December 30 for outbound and December 29 and January 5, 2019 for inbound routes.

Some seats are still available, depending on the date. Reservations may be made on the Peach website at [www.flypeach.com](http://www.flypeach.com) where information on seat availability is updated daily.
