Peach Aviation Limited

Early Sales Begin for Select 2026 Winter Schedule Routes – Round 2! 5 Long-Awaited Domestic Routes and 10 International Routes Added - From Snowy Landscapes to Tropical Resorts to Walks Through Asia’s Vibrant Cities, Travel Your Way This Autumn and Winter -

Osaka, June 25, 2026 - Peach Aviation Limited (“Peach”; Representative Director and CEO: Kazunari Ohashi) will begin sales today at 4:00 p.m. for select domestic routes newly available during the 2026 winter schedule period (October 25, 2026 to March 27, 2027), as well as additional international routes.

In this second round, five domestic routes for the winter schedule will make their debut and go on sale. The three routes from Osaka (Kansai) include Sapporo (New Chitose), where travelers can fully enjoy winter in Hokkaido, Fukuoka, and Okinawa (Naha), known for its warm climate. In addition, the Tokyo (Narita) - Sapporo (New Chitose) route and the Fukuoka - Okinawa (Naha) route are also included. For international services, 10 routes are included. In addition to the Kaohsiung, Shanghai (Pudong), Bangkok (Suvarnabhumi), and Singapore routes from Osaka (Kansai), the Seoul (Incheon) and Shanghai (Pudong) routes from Tokyo (Haneda) have also been newly added.

Tickets can be purchased via the Peach Website (www.flypeach.com/en) and at the Contact center. Tickets for routes other than those listed above and those already available in the first round will go on sale as soon as preparations are completed.

Together with the international routes already available from the first round, travelers now have even more attractive options for trips from autumn and winter through next spring, including snowy landscapes, winter sports, relaxing tropical resorts, and the vibrant city walks and culinary experiences unique to Asia. Early booking also allows travelers to plan ahead with greater ease for peak travel periods such as the year-end and New Year holidays, student trips, and spring break travel.

Peach will continue to prioritize safe services while providing diverse travel options through early sales that enable customers to plan their journeys well in advance, helping enrich people’s lives. As an accessible means of transportation that contributes to regional revitalization, Peach will continue to take on new challenges and evolve so we remain a trusted choice for many customers.

<Special Notes>

- The above fares are the minimum fares per seat for one-way flights.
- Fares change depending on seat availability, and the fare that is valid at the time of booking applies.
- Minimum fares are subject to additional charges for ticketing fees, airport usage fees, and similar costs.
- Additional fees apply for checked baggage/seat selection with the minimum fare. The Fast Area selection is not available for Minimum Fares.
- Booking fees are charged separately when tickets are booked at the Contact Center or airport counter.
- No fuel surcharges are levied on the customer.
- Fares and usage conditions are subject to change or additional requirements without prior notice.
- Subject to application/approval by relevant authorities.

About Peach (www.flypeach.com/en)

Peach is based at six airports: New Chitose, Narita, Chubu, Kansai, Fukuoka, and Naha, and services 25 domestic routes and 15 international routes. Under the new corporate message, "Beyond us who we were yesterday." Peach will continue to take on challenges and evolve to deliver new value, building on its accessibility and ease of use. With safe operations as our top priority, we will further refine our fundamental quality and unique value to become an airline that many customers can choose with confidence.
