- **Total from 9 Domestic and International Routes**
- **Achieved on flight MM152 (Fukuoka – Kansai) today**

Peach Aviation Limited (Peach; Representative Director & CEO: Shinichi Inoue, Head office: Izumisano-shi, Osaka), announced that the number of passengers to date has today exceeded two million.

Peach began flight services on March 1, 2012 with 2 domestic routes, an Osaka (Kansai) to Sapporo (Shin-Chitose) route and an Osaka (Kansai) to Fukuoka route, and began its international route on May 8. Peach currently operates 6 domestic routes and 3 international routes.

Peach's two millionth passenger boarded flight MM152 (from Fukuoka Airport to Kansai International Airport) today, and was presented with a gift to commemorate the occasion. Since Peach's one millionth passenger was achieved on November 29, 2012, the number achieved today means Peach has brought one million passenger for about 5 months.

Peach will start its service of an Osaka (Kansai) – New Ishigaki route on June, an Osaka (Kansai) – Busan and an Okinawa (Naha) – New Ishigaki route on September.
