## On Amendments in Fares and Handling Fees Due to Consumption Tax Hike

- Amendments to be made to fares and handling fees
- Applicable for purchases made on April 1<sup>\*1</sup>, 2014 and onward

Peach Aviation Limited (Peach; Representative Director & CEO: Shinichi Inoue, Head office: Izumisano-shi, Osaka) has today decided to amend its fares and handling fees in line with the increased consumption tax.

The new fares will be applicable to tickets that are purchased at midnight April 1<sup>\*1</sup> and onward. The current fares will continue to be applicable to tickets that are purchased up to and on March 31.

The fare amounts are inclusive of the consumption tax.

There will be no changes for checking in baggage on international routes, however, booking fees for checked baggage will apply for baggage that is checked in through the contact center or at an airport. \*2

■For transitional period following revised rate of consumption tax

The consumption tax is included in Peach's fares. As transitional measures are accepted for the current fares to be applicable for tickets that have been purchased up to and on March 31, 2014 regardless of whether boarding will be on or after April 1, 2014, the current fares and fees will be applied to tickets that are purchased by March 31, and the newly amended fares and fees will be applied to tickets purchased on or after April 1. \*1

\*1 The current fares will be applicable for payments made at convenience stores, ATMs (post office, bank), or through online banking for bookings which have been made by March 31 (and purchases have been finalized) and are payable through April 1.

\*2 Subject to approval submission to and approval by the relevant authorities.
